

**AMERICAN LEGION AUXILIARY
DEPARTMENT OF SOUTH CAROLINA**

**Louise Winesett
BIOGRAPHY 2011-2012**

Louise Winesett of Columbia, SC was elected president of the American Legion Auxiliary Department of South Carolina on June 4, 2011, at the Department Convention in Greenville, South Carolina.

Louise joined Irmo Unit 174, fourteen years ago through the service of her husband A.R. (Randy) Winesett, Jr. who served in the United States Army in Korea.

Louise has held many positions in the unit since joining, from Chairman of Legislation, Membership, National Security, Unit Development & Rehabilitation (UD&R), Sergeant at Arms, to Unit President and is now serving as Unit secretary/treasurer.

At the Department level, she has served as UD&R, Leadership and Membership Chairman. She served as Jr. Vice President, Sr. Vice President and as department secretary since December 2010.

American Legion Post 174 Baseball Team was privileged to have Louise assume her late husband's position of Athletic Director and remained until the team was no longer sponsored by the Post. This was a big responsibility and required an extreme amount of time. The Post states Louise did an outstanding job.

She is the mother of four daughters, grandmother to eleven grandchildren and great-grandmother to eleven great grand children. She is a member of Denny Terrace Baptist Church and is currently a Sunday School Teacher and has served as Church Treasurer for three years. She has also been a member of the Eastern Star for forty one years where she served as Worthy Matron for two years and Rainbow Mother for eleven years. She has also been delivering Meals on Wheels for over eleven years.

Louise has chosen **“TOGETHER”** as the theme for South Carolina for 2011-2012. **Taking Our Gifts Everywhere To Help Everyone Remember – **Our Veterans**, is something Louise would like every Auxiliary member do this year.**
